Berry

These Colors are based on a 1# pre-packaged packet of pigment mixed into a 50# TruCrete Surfacing Systems bag mix Colors may vary from batch to batch.

This Color Chart is designed for reference only. TruCrete Surfacing Systems® recommends creating actual samples for clients due to uncontrollable variations such as application, dilution, climate conditions, and level of experience. The user of the products is solely responsible for the use and information regarding TruCrete Surfacing Systems® products.
